## IN PROGRESS 2

As a user, I want uTorrent to adjust download speeds dynamically based on my network usage so that it doesn't interfere with other activities.

### EPIC 2: RESOURCE OPTIMIZATION

✓ APP-9

As a user, I want to configure encryption for my peer-to-peer connections so that my downloads remain private.

### EPIC 3: SECURITY AND PRIVACY

✓ APP-11

## DONE 4 ✓

As a user, I want to be able to pause and resume my downloads so that I can manage bandwidth when needed.

### EPIC 1: FILE DOWNLOAD MANAGEMENT

✓ APP-6

As a user, I want to set priority levels for specific downloads so that the most important files are completed first.

### EPIC 1: FILE DOWNLOAD MANAGEMENT

✓ APP-7

As a user, I want uTorrent to minimize resource usage (CPU and memory) so that it doesn't affect my computer's performance.

### EPIC 2: RESOURCE OPTIMIZATION

✓ APP-8

As a user, I want to verify the integrity of downloaded files using hash checks so that I can ensure files are not corrupted.

### EPIC 3: SECURITY AND PRIVACY

✓ APP-10

IN PROGRESS 2

As a user, I want uTorrent to adjust download speeds dynamically based on my network usage so that it doesn't interfere with other activities. ✎
